

FOR IMMEDIATE RELEASE

DealPoint and Dealum Join Forces to Streamline Deal-Flow for Canadian Angel Investing

MAY 7th, 2024 -Calgary, AB, - DealPoint, the leading platform for streamlining private capital raising, is thrilled to announce a strategic partnership with Dealum, the innovative investor group collaboration platform. This collaboration marks a significant step forward in empowering early-stage investors and startups through enhanced connectivity and efficiency.

Dealum has distinguished itself as a pioneering force in the realm of angel investing, offering a state-of-the-art platform designed to facilitate seamless collaboration among investors and startups. With its focus on optimizing the deal-flow process and fostering meaningful connections, Dealum has emerged as a go-to destination for both seasoned investors and burgeoning startups seeking capital infusion.

Complementing Dealum's expertise, DealPoint brings to the table its comprehensive suite of solutions aimed at simplifying the capital raising journey. From onboarding investors, facilitating document management and managing SPVs, DealPoint empowers issuers and investors alike to navigate the complexities of private capital raising with ease and confidence.

"The partnership between DealPoint and Dealum is a game-changer for an angel group's experience," said Sandi Gilbert, Founder at DealPoint. "By combining Dealum's deal-flow collaboration platform with DealPoint's robust capital raising solutions, we are poised to deliver unparalleled value to angel investors and startups worldwide."

Through this strategic alliance, DealPoint and Dealum aim to bridge the gap between angel investors and startups, fostering a vibrant and dynamic ecosystem conducive to growth and innovation. By leveraging their respective strengths and resources, the two companies are committed to empowering angels to access a deal-flow and a simple investor experience, maximizing access to high-potential investment opportunities.

“With Dealum's established presence and customer base in Canada, our partnership promises a win-win scenario for entrepreneurs and investors alike, offering seamless solutions for fundraising,” said Seren Rumjancevs, Dealum CEO. “We're happy to team up with DealPoint to innovate the Canadian Angel investing landscape. This collaboration holds significant potential to cater to the needs of the Canadian ecosystem.”

As DealPoint and Dealum embark on this collaborative journey, they look forward to ushering in a new era of innovation and opportunity in the early-stage investing landscape. With a shared commitment to excellence and innovation, the two companies are well-positioned to empower entrepreneurs and investors alike to unlock their full potential and achieve their goals.
